

2011-2012 Meet Schedule January 15, 2012

To all clubs from the NAWGJ-WA Assignor: USAG requires that new judges only be assigned to two judge panels for their first year of judging. We have several new judges who we have not been able to assign due to the fact that the majority of meets are single judge panels. With several of our most senior judges retiring we are asking for your help in getting experience for our new people. If your club is hosting a compulsory meet with single judge panels and you would be willing to have one new judge assigned to the meet as a 5th judge, judging with an experienced person, please email Barb MacAfee at bmacafee@comcast.net. Thanks so much for considering this request.

MEET DIRECTORS: you will be e-mailed a list of your meets judges approximately one week prior to your meet, but all judges are subject to change till the time of March-In.

COACHES: Information on sectionals and state meets can be found on www.usagwa.com, State Handbook, page three.
