	Full On		A 3.43	1/2 Off	Front Tuck	10
			T 3.42		Back Tuck	10
T 3.44				Back Pike	10	
T 3.45				Back Layout	10	

Additional Collegiate Vaulting Rules

- *Vault numbers will not be flashed but vault groups will be.
- *All twisting should be completed at the apex of the vault with increasing deductions taken the later the twist is completed.
- *Tsukahara vaults may be performed with 90° to 180° turn in the preflight.
- *No deduction should be taken for a bent lead arm when performing Tsukahara vaults.
- *1/4 on, 1/4 off, in opposite directions should be judged as a handspring vault.
- *There is a 1.0 deduction for one or no hands touching vault table.
- *There is a 1.0 deduction for spotting assistance during the vault.
- *There is a 1.0 deduction for not landing on feet first.
- *During the 3-minute touch warm-up, each vaulter is guaranteed two times over the vaulting table.
- The gymnast may start beyond the 82 foot runway with no

Note: "T" means the vault finished "Towards" the vault table
 "A" means the vault finishes "Away" from the vault table
