

Please complete the following information for the USAG State Board. This information will be cut and pasted into a word document for the board. The USAG WA board has asked for this, not NAWGJ WA. Judges names (as in the past) will be listed alphabetically. Please be accurate. This is only a small portion of what the USAG Board uses to determine state assignments. As stated in the R & P your rating does not guarantee a state assignment. Do not list high school or college.

Please be accurate and note non-paid.

This information is from March 15, 2007 – June 1, 2008, please use font size 9 when completing the form. Thank you. Return to Nola by e-mail, no later than May 20, 2008. I will confirm your e-mail.
